## Company Overview

Established in 2005 by Mr. Muhammad Amjad Minhas & Mr. Muhammad Akmal Minhas, H.A.M Services (previously known as HAM Plants care) was established and still operating from Rukhanwala, near Kasur. Since its inauguration many new concepts have been introduced i.e use of boulders.

Featuring a stock of over 35,000 plants of various species boasting a wide range of indigenous and adaptive flora, the HAM Plant Care farm is maintained on a daily basis by a team of over 12 workers under the guidance and supervision of Mr. Akmal Minhas.

We are the main plant maintenance contractor to many prestigious hotels, offices, factories and residential properties. All of our plants are put through an internal Quality Assurance (QA) test, prior delivery to our customers.

Our design philosophy is to provide a healthy, comfortable, beautiful and sustainable environment. Our work is inspired by unique customer driven designs that are not only beautiful but also efficient. We give priority to the use of natural resources, owing to their ingrained depth and enduring qualities.

Landscaping is both a science and an art, and requires good observation and design skills. H.A.M Services understands the elements of nature and construction and blends them accordingly.

We are a company totally dedicated to environmental ethos, and shall ensure the continuation of a safe, clean and healthy ecosystem. We also have solid business processes that are geared towards a greener environment.

Recently with addition of Mr. Ajmal Minhas (having 24 years of experience in Banking and Textile industry), one of the founders of the company, we have started the janitorial service for our major clients. We have well trained janitorial staff along with supervisors and the cleaning equipment is provided as and when required. We provide 1 supervisor for a company having 10 janitorial staff along with our visit to every client on weekly basis.

## Vision

“To become a market leader in indoor/outdoor plant maintenance and landscape services by provision of quality products and pursuing excellent customer services while embracing environmental ethos that guarantee a safe, clean and healthy ecosystem in Pakistan”.

## Mission

“To delight our customers by offering tailor made solutions to meet their interior and exterior landscaping needs through an efficiently managed business that contributes towards a greener environment.”

## KEY PERSONNEL:

Mr. Ajmal Minhas is one of the co-founder of H.A.M Services & H.A.M Plants care (a part of H.A.M Services group). He is graduated from Punjab University of Lahore and now has over 24 years of working in corporate sector including banking and textile sectors.

Mr. Muhammad Akmal Minhas joined the family business. He is primarily involved in maintaining, reproduction, and multiplication of plants; supervision of HAM Plant Care at Lahore, Sailkot, Gujranwala and Islamabad besides undertaking landscape projects.

Mr. Muhammad Amjad Minhas graduated from Punjab University Lahore. He initiated HAM Plant Care maintenance Plant & Landscaping Company in 2005. His natural talent of landscaping surfaced soon afterwards and in the middle of 2006 undertook his first project. The business spread through word of mouth which took him abroad as well for landscaping of residential projects.

## MAIN LANDSCAPING PROJECTS:

Since establishment, HAM Plant Care has had the privilege of carrying out many gardening and landscaping projects on turn-key basis also under the expertise of Mr. Amjad Minhas. It's sales point hosts full-fledged horticultural facilities along with a variety of trees, bushes, creepers, ground covers, etc. in all types, sizes and configurations. We have the capacity of developing from traditional residential gardens as small as 200 sqft. to 50 acres of an industrial parks; we've had the pleasure of making the world greener with our own personal unique touch that extends to corporate sector and public squares.
